**Shahid:**“So do you know that the MacDonald there first gets there resources from the farm in the Street.”

**Zaroon:**“ Don’t joke why the cities have farm.”

**Fahad:**“ No, this street had a farm” said while giggling.

**Shahid:**“This is my story time and now listen carefully”

**Ali:**“ Before starting, what’s the time?”

**Zaroon:**“ Poppy playtime well it’s 6:10 O clock, had you all attended the evening prayer”

“yes” everyone said in one voice.

**Shahid:** “If everyone had attended the prayer, can I start”

**Fahad:** “Sure begin”

**Shahid:**“So one upon a time... “

**Ali:**“ There was a farm in a house” said while giggling.

**Shahid:**“ I am not telling the story” said in a fierce voice.

**Zaroon:**“ Oh Shahid we are sorry please, begin your story we will not do this again”

**Shahid:**“So once upon a time, In street Shervon there was a little farm for the resources of McDonald restaurant....”

**Ali:**“So why you don’t told us that it was little”

**Shahid:**“It was not much smaller but its size is equal to the size of mansion. Sometimes people came to explore it. It was quite good farm with animals and plants of vegetables were also there to be grown. Two children of 10 were playing there, Ali and Zaroon but suddenly they saw something paranormal in the area of cows. They saw that someone is drinking blood. By sawing this Ali screamed with terror.”

**Ali:**“No, it was Zaroon” said in hurrying voice.

**Shahid:**“ It was Ali who screamed by looking the man whose face is like a cow but no ear and blood is flowing through the nose. After this both ran to their parents who were helping the farmer, by sawing there children like this they asked that what happened?

“Monster there was a a a monster” said Ali. “No it was a gh gh ghost or a wicked magician”

***“In street Shervon there was a little farm for the resources of McDonald restaurant”***

“Ali and Zaroon both tell what had happened to them”

“It may be someone else” said the father of Ali.

“No, it was a cow monster whose head is big as an elephant and his ears were as big as rhinos” said Ali

“No. It’s face were looked like a cow and he don’t have one ear and blood is leaking from his nose ” said zaroon.

“Maybe it was just your imagination” said Zaroon’s mother

Then they all go to the cow’s area and saw that the cow is dead and his child is mowing with crying.

“Oh no what had that happened” said zaroon’s father.

“We all must leave the farm now ” said the farmer.

After that they all leave the farm”

**Ali:**“and the story is finished”

**Shahid:**“No, you and Zaroon will go to meet the mouga”

**Ali:**“Do you want me not to sleep”

**Zaroon:**“Maybe today Ali is going to be a mouga”

**Ali:**“Noits impossible”

**Shahid:**“If you will not listen my story than mougá is coming or may be in your room”

**Shahid:**“It was evening Ali and Zaroon were in their homes, Suddenly Zaroon calls Ali,

“Aslam O Alaikum Ali, I had researched on the monster mougá It will be not good If anyone eat McDonald’s food”

“But why”

“Because in 20016 in Colombia there was a farm called Vamin golobia Which was twice as big as this farm, the farmer of the farm was killed with very certain activity, a strange face person killed him and put his cow’s head on him, he hid the body somewhere in the farm and when the body and criminal was found the criminal was sent to jail for whole life, the farmer always like his cows and never want this to be of anyone another, his ghost still wants his cows, it may be his one of his cow”

“So what’s terrible”

“The farmer would try to get his cows as humans”

“what if we are his prey than”

“if anything wrong happened ran away”

Than zaron turned of the call. Suddenly a knock on his room's door came and Ali hid in cupboard. His room's door was not locked so suddenly the door openend and mouga mouga mouuuuuuuuuuuuuuuuuuuuuuuuuuuuuuga was not there.  
 ”

**Ali:**“So who was”

**Shahid:**“His mother”

**Ali:**“What did mouga's mother wants from me”

**Shahid:**“It was not mouga's mother it was yours. Than you came out of cupboard

“What were you doing in this cupboard?”

“I was finding a toy”

“Did you forget your toys box is here”

“Oh really I forgot that”

“Ok come down hurry up we are going to eat McDonald which was given by a cow”

“But mom why we are eating McDonald, you don't like to eat restaurant's food at dinner”

“I was jocking come down”

Than Ali came down to eat dinner.

After dinner a sudden Knock came on the door.

“Who is” Ali’s mother shouted

Then Ali hurry up opened the door and saw Zaroon and his family.

When they came they shut the door quickly and said to hide.

“What happened” Ali’s mother asked.

“Just hide” said Zaroon’s father.

Then everyone hide in two different rooms because of space they can’t hide in one room. Ali’s mother turned off the lights of all house and suddenly the door opened

The strange man walked into the room. He came towards the cupboard where Ali and Zaroon’ were hid and suddenly opened the door, but when he opened the door of cupboard mouga came on him and a portal opened take him with himself after a few days Ali and Zaroon knew that the farmer was the man who kill mouga and today mouga had taken his revenge

and the door is closed ha ha ha ha & @\_^ die die die and di...”

When Ali said these words the dead body woke up and stick it's hands and legs with the ceiling and screamed. Aaaaaaaaaaaaaaaaaaaaaaaaaa both screamed too and move towards door but the door closed. Shahid snatched the diary and said I will tear it if you will not open it. The body started to move towards them he threw the diary away and started to knock hard on the door than suddenly the door opens and the body fell down.

“Do we go outside, it is proved now that there is really any ghost”whispered Ali.

“No any serial killer can too do this”whispered Fahad.

“Do you want to be the player of dangers?” whispered Shahid.

“We just need to prove that there is no ghost and let people live peacefully” whispered Fahad.
