Introduction

This book contains 6 stories. One of them is very special and one of them is linked to the story titled <u>"The terror of Shimano".</u> Each of the story is related to a street called

'Shervon'. Some boys sitting in a garden are telling these stories to each other.

The first story is about a **farm** which supplies wheat, eggs, milk etc.for the restaurant of McDonald which is near to the street. Some kids saw that the animals started to make sounds like they have seen something paranormal.

The second is of a **boarding school** which was a prison long time ago. A prisoner was killed there by a guard later accused was sent to the jail (existing place) But the prisonerghost is still there and haunting the school.

The street was First a little village according to the third story; on 3rd January, a day when a wicked witch killed 3 persons and collected their heads. She needed 100 heads for her ritual so on every 3 January she had done this on that day because she could not do this on any other day. But the people were not in their homes. They left the village.

The fourth story is of <u>6 by 6 chess</u>. As you know that the normal chess is of 8 by 8 but

this is an evil chess so it's by 6. When the king had more than three queens and his first two queens died their ghosts came into the room to take revenge from the player.

The house of Okiko is the story about a famous Japanese doll Okiko you will read about such secrets which may lead you to new stories. Well! the last story is not a story, it's a special surprise so it may be good for you to read it in the last.

Old McDonald had a farm

6

The four friends were sitting in a tent to play a game. The game was that each of them would tell a story which would be related to the street 'Shervon' which was not far from their houses. The Shervon street was a haunted street where no one lived.

Shahid:So do you know that the MacDonald first got it's resources from the farm in the Street."

Zaroon: Don't joke, why the cities would have vanish."

Fahad:" No, this street had a farm" said while giggling.

Shahid: "This is my story time and now listen carefully"

Ali:" Before starting, what's the time?"

Zaroon: Poppy playtime! Well I was joking, it's 6:10 pm. Had you all attended the evening prayer?"

"Yes!" everyone said in one voice.

Shahid: "If everyone had attended the prayer, should I start?"

Fahad: "Sure, begin."

Shahid:"So once upon a time... "

Ali:" There was a farm in a house." said while giggling.

Shahid:" I am not telling the story." said in a fierce voice.

Zaroon: Oh Shahid we are sorry please, begin your story we will not do this again."

Shahid: "So once upon a time, In street Shervon there was a little farm for the resources of McDonald restaurant...."

Ali:"So why you didn't told us that it was little!"

Shahid: "It was not much smaller but its size was equal to the size of a mansion. Sometimes people came to explore it. It was quite good farm with animals. Plants of vegetables were also there to be grown. One day, Two children of age 10 were playing there, Ali and Zaroon but suddenly they saw something paranormal in the area of cows. They saw that someone is drinking

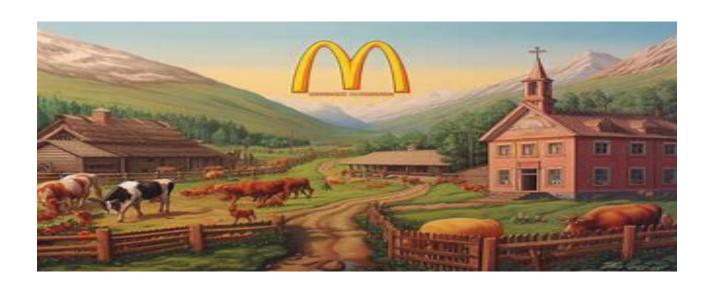

blood. By seeing this Ali screamed with fright."

Ali:"No, it was Zaroon who screamed." said in a funny voice.

Shahid:" It was Ali who screamed by looking the man. His face was like a cow but he had no ears and blood was flowing through his nose. After seeing this both the children ran to their parents who were talking to the farmer. By seeing there children like this they asked that what happened?

"Monster! There was a a m m m monster!" said Ali.

"No it was a gh gh ghost or a wicked magician!" said Zaroon.

9

"In street Shervon there was a little farm for the resources of McDonald restaurant"

Ali and Zaroon both told what had happened to all of them.

"It would be someone else." said father of Ali.

"No, it was a cow monster whose head was big as an elephant and his ears were as big as a <u>rhinosaures</u>." said Ali.

"No. It's face looked like a cow and he didn't had one ear and blood was leaking from his nose." said Zaroon.

"Maybe it was just your imagination." said Zaroon's mother.

"It was not our imagination." both of them said.

Than they all went to the area where cows were kept and saw that the cow was dead and his child were moowing and crying.

"Oh! No! what had that happened! " said Zaroon's father.

"We all must leave the farm now." said the farmer.

After that they all Left the farm.'

and the story is finished." said Ali.

Shahid: "No, furthermore in the story you and Zaroon will go to meet the mouga."

Ali:"Do you want me not to sleep."

Zaroon:"Maybe today Ali is going to be a mouga."

Ali:"No its impossible!"

Shahid: "If you will not listen my story than mouga will be coming in your room when you will be sound asleep."

Ali:"Ok I am listening."

Shahid: 'It was evening. Ali and Zaroon were in their houses, Suddenly Zaroon called Ali:

"Aslam O Alaikum Ali, I had researched on the monster mouga. It would not be good If anyone eats McDonald's food."

[&]quot;But why?"

"In 2016, in Colombia, there was a farm called Vamin Golobia which was twice as big as McDonald's farm. The farmer of the farm was killed very strangely. A strange person killed him and put cow's head in place of the farmers head. He hid the body somewhere in the farm and when the body and the criminal were found, the criminal was sent to jail for the rest of his life.

It is said that that farmer always liked his cows and never wanted them to be of anyone else's. So his ghost still haunts those farms where there are his cows. I think that in the McDonald's farm, some of the cows was of that farmer."

"So what's terrible in this story hmm.?"

"The farmer kills humans and turns them into a cow by a ritual for the lose of his cows."

"What if we are his next prey?"

"If anything wrong will happen then we'll run away."

Than Zaroon turned of the call. Suddenly a knock on his room's door came and Ali hid

in cupboard. His room's door was not locked so suddenly the door openend and mouga mouga mouuuuuuuuuuuuuuuuuuuuuuuuuu was not there.

""

Ali:"So who was"

Shahid:"His mother"

Ali: "What did mouga's mother wants from me"

Shahid:"It was not mouga's mother it was yours. Than you came out of cupboard

"What were you doing in this cupboard?"

"I was finding a toy"

"Did you forget your toys box is here"

"Oh really I forgot that"

"Ok come down hurry up we are going to eat McDonald which was given by a cow"

"But mom why we are eating McDonald, you don't like to eat restaurant's food at dinner"

"I was jocking come down"

Than Ali came down to eat dinner.

After dinner a sudden Knock came on the door.

"Who is" Ali's mother shouted

"Open the door hurry" said Zaroon's father.

Than Ali hurry up opened the door and saw Zaroon and his family.

When they came they shut the door quickly and said to hide.

"What happened" Ali's mother asked.

"Just hide" said Zaroon's father.

Than everyone hide in two different rooms because of space they can't hide in one room. Ali's mother turned off the lights of all house and suddenly the door opened

The strange man walked into the room. He came towards the cupboard where Ali and Zaroon' were hid and suddenly opened the door, but when he opened the door of cupboard mouga came on him and a portal opened take him with himself after a few days Ali and Zaroon knew that the farmer was the man who kill mouga and today mouga had taken his revenge

"

Ali: Wow wow what's a great story, you were frightening us from mouga but in last you had taken all our frightnese"

Shahid: "Mouga wants to make his cow as humans so be careful"

Ali: "Sorry sorry I was just jocking now is mouga will not come "

The Army public school

Shahid:"Yes he will not come"

Fahad:"Time for a chit toss"

Than all the kids toss and this time Fahad's name came.

Ali: "So which story you are going to tell about a school or a farm"

Fahad: "What about a cool school which is not cool"

Zaroon:"It should be different from the other schools"

Fahad:"What about a army school"

"Yes" everyone said.

Fahad: "So once upon a time in the **prison** of the losers Army it's name has a soldier who had captured in a war was killed by a guard, the guard was sent to the prisoner's prison with prisoner body, well the prison was in the Shervon street where coniel killed him. After twenty nine years the school was built there for give students the

training of scouts. Two students Shahid and Ali..."

Ali: "Why everyone including me in the story?"

Fahad:"Just for fun, Ok the two students at breaktime planned to go to the School's horror room or its store room which was looked from last 2 years after an accident of founding the dead body of a person whose hand had chains well school had already sent it to police but the body again came there that's why they locked the room. "We need the keys for this" said Ali.

"But the peon always wear it in his neck"

"Miss Munaza too have the keys"

"If our luck is with us than she is on the duty"

Than both go to miss Manaza class and saw the keys on table. All hurried to take the room key from the bunch and both go to the classroom and plan to go to the room tomorrow.

The next day came miss Manaza had not noticed that one of the key in his bunch is

missing but the boys have to be careful so that they had made a copy of the key than they put the original one on miss Manaza's bunch and use the copy.

"Is we are going to open it for investigation"said Shahid.

"It maybe a little bit spooky"

Then after a while they opened the lock of the room and saw the same thing, the dead body. It was sitting on a chair and smiling, both have a torch so that's why they can saw him."

Shahid:"Why I am bad boy in this story"

Fahad: "Someone have to be bad with Ali, Ok they started to investigate the room. "Ali see there are some books"

"No I don't want to read"

"Idiot it is not our course book I think it belongs to that body."

Ali picked the book and started to read

"Once upon a time I mean 16th February 1949

Dear diary I am captured because I was travelling near from the coniel and suddenly my tea fell on him and he put me in prison but what I had than?

I was only perso of my house that's why no one came to meet me.

3rd April 1950

Dear diary finally I got you now I am ready to take revenge from this police officer he will stay in prison and I will haunt him and the other who will touch you and the door is closed ha ha ha ha & @_^ die die die and di..."

When Ali said these words the dead body woke up and stick it's hands and legs with the ceiling and screamed. Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaboth screamed too and move towards door but the door closed. Shahid snatched the diary and said I will tear it if you will not open it. The body started to move towards them he threw the diary away and started to knock hard on the door than suddenly the door opens and the body fell down.

"What are you both doing here and what is that body?"said miss Manaza.

"We were investigating and the diary...."said Ali in a frightened voice.

"The diary came out hurry"said miss Manaza.

Than both came out of the room.

"Give me the key"said miss Manaza.

"But you already have" Said Ali.

"Than how you managed to enter?"

"By using lock pick" said Shahid.

Than miss Manaza scold them and send them to the class. But what is in the diary and what is the relationship of Miss Manaza with diary? These questions will be solved next time"

Zaroon:"But when will you tell answers of these questions"

Fahad:"On the next Friday "

Shahid:"Whats the time is it"

Ali:"6:24 pm"

Shahid:"Thanks"

Zaroon: Now I will tell the story"
Than everyone agrees.

3rd January

Ali:"Your story must be on any specific date"

Fahad:"Which story are you going to tell us?"

Zaroon:"3 Jan ua ry" said in separating words.

Shahid: "My birthday my birthday is coming on 3 January"

Zaroon:"But do you want to listen its dark secret"

Shahid: "Yes, but it shouldn't related to me"

Zaroon: "It is related to the street Shervon which was a village too in 1875. Once upon a time In the village "Shervon" there piveda wicked witch called Kalamazoo voq Michigan, everyone in the village called her Voq Michi. Only the jealous people and those who had bad plans came to her. She wasn't wicked from starting and didn't did magic but other people thought that his husband was a magician and trying to rule

the world so that's why they killed him. On this day she started to do magic and want to take revenge but she failed because when the people saw that she is killing people for their head to be immortal they too send him to fire but some of the magic started to work for her and that's how she is still alive in her mansion. Now come to modern days means in 2009 four kids....."

Fahad:"Ali, Shahid, Zaroon and Fahad" said like he already knew this.

Zaroon: "Correct! Yes these children planning to go to mansion and separate the milk and water."

Ali:"is we drink water instead of milk?"

Zaroon: "Its an idiom, well these three children first plan to inspect the house from outside. Ali and Zaroon started to look at the windows of mansion and Shahid and Fahad investigating the garden. "Hey I have an idea! What do you think to threw a ball from outside of the house through the walls "said Ali. It was a house with the border of brick walls and with a broken main gate.

Everyone thought it was a good idea. Before they go out Fahad and Shahid tell them about a secret passage in the bushes. They made a plan that they all will stay together and use the secret passage. They go outside and than Ali threw the ball to the upper window where a Balcony was too. They thought that nothing will happen but the ball came back.

"Whoa my ball is magical"said Ali.

"Or the house is magical"said Fahad.

"We need to go inside it"said Shahid.

Than all use the secret passage to go inside the mansion.

When they started to walk through the passage they saw a prison where 2 or 3 people bodies were placed and their hands were in the chains.

"Do we go outside, it is proved now that there is really any ghost"whispered Ali.

"No any serial killer can too do this"whispered Fahad.

"Do you want to be the player of dangers?" whispered Shahid.

"We just need to prove that there is no ghost and let people live peacefully" whispered Fahad.

"Buy if there is really any Ghost" whispered Ali.

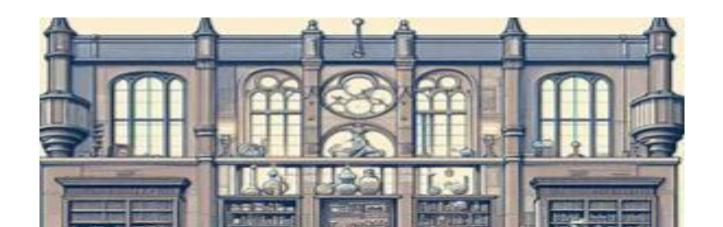

"No ghost"whispered Zaroon".

After this discussion they found some stairs going up they started to wandering around the house. They saw a big hall when they go upstairs. They were shocked to saw it. The hall has different rooms on its bank. There was chemist tools in one room and some cupboards with books. It looked like that it was a lab but half of its room had magician tools like staff etc.

"I am noticing from two minutes that each door is moving and there is no air " said Ali.

"What!" said others.

Than all looked the doors and suddenly a strange sound: "Muuuuuu ahhhhhh""

Then they all do a chit tose and now Fahad's name came.

Ali: This time I want a haunted doll's house.

Zaroon: No her jungle!

Ali: House!

Zaroon: Jungle!

Than they start arguing and an idea came into Fahad's brain.

Fahad: What about a cabin in jungle.

Shahid: ok this is good idea what do you think

Ali and Zaroon?

Both agreed and than Fahad started his story.

Fahad: "Once upon a time after some strange accidents people of Street Shervon leave their homes and settled in any other location. Everyone was afraid to go to there but now it's a jungle. The street had became a jungle because of a scientist's experiment.

10th July 2024

The four kids in 3 January plan to discover the street again because they thought that the witch is gone now because after 3 January 2023

everything changed, the witch had not done anything but at 7th December 2023...."

Ali:Stop calling exact date.

Fahad: It's my story so be quite.

"The four kids Ali, Zaroon, Fahad and Shahid missed their homes, they were thinking about their garden, their school and all the memory, but now all their memory were taken by a jungle. Now the jungle is called Shervon ka Jungle.

They planned that they will find any solution to bring their home back.

"What do you think what had happened to the witch" asked Shahid.

"Many people said she is dead and she was killed by a doll" said Zaroon.

"Who know that the spell killed her" said Ali.

"I am still thinking that why she burnt herself when I read

The spell" said Fahad.

"But why she died in my house is Shahid's house was small" said Ali.

"Shhh, I saw something yellow red passing through the wood" said Zaroon.

"Is it any lion or tiger" asked Ali.

They thought that it was any animal and claimed a tree but they were wrong, it was a doll.

"I don't think it is any animal" said Zaroon.

"Yes I also" said Shahid.

Than they came down and start to find the lab but suddenly they found a cottage.

"What do you think is it Ali's tiger kitty house" said Shahid.

"Dont say anything wrong about my cat" said Ali.

"William Martin Luther lab, do you think is it his cottage" said Zaroon while reading a sign board.

"But in news I saw a big lab" said Fahad.

"Maybe it was underground" said Ali.

Than they go down and start investigation.

"What a beautiful doll look Shahid she wore a red and yellow clothes and a Chinese letter on it what do this mean" said Zaroon.

"If you like it then take it" said Ali while laughing.

"really can I take" said Zaroon.

"Stop fool it may be haunted like the witch" said Shahid.

Than Zaroon leave the doll sadly and follow others.

"Look there is a formula for growing plants fast into tree"

Said Ali.

"Take it maybe our research is completed" said Shahid.

"No friends I didn't called you here for the formula I had magic book burried in my garden" said Fahad.

" What bro forget the book it was cursed" said Ali.

What a beautiful doll look Shahid she wore a red and yellow clothes and a Chinese letter on it what do this mean.

"Happy birthday to you happy birthday to you and now you are going to be dead with me soonnnn muha ha he he"

A strange voice scared them. The door suddenly closed and someone started laughing.

"Bro that is getting scary we need to escape" said Ali fearfully.

"Look some sharp shards are coming towards us" cried Zaroon.

"Look trapdoor down" cried Fahad.

"It is a trapdoor maybe it can trap us" said Ali.

"Be quite Ali it's not time to joke come on" cried Zaroon.

Than one by one they went down and saw a tunnel.

"My doll saved us" said Zaroon.

"It's cursed you fool" cried Shahid.

"Throw it!" cried Fahad.

"No! When we were trapped in the room it helped me" cried Zaroon.

"In which thing it helped you" said Shahid.

"First O fall this is not it, she is Shila and second it help me to find this shovel this bag"

"Ok maybe poppy is good name for her" said Ali.

- "But how it helped you" said Fahad.
- "She said to me" said Zaroon.
- "What" said Fahad.
- "My name is Okiko and it's my forest, I saw you from the day you trapped the witch" said doll while coming down.

Everyone surprised for a while than the doll told them that the witch is freed and she wants the book.

"What the spell didn't killed her" said Zaroon.

"Yes" said Okiko.

Okiko was a good doll and the sister of the evil Shimano but she thought that everyone know Shimano but not her and if she tells them that Shimano is her sister than they might think that she is evil too but they didn't knew it.

"What is your origin Oki" said Zaroon.

"Well because of a black magic me and my I mean just me become a doll and I am finding the way to be a human again"

"Poppy playtime" cried Ali.

"Its Oki playtime" said Shahid.

"Stop friends so do you know how to capture her" asked Fahad.

"Well we need to find the magic book and these elements can help you to revive the area"

"Where you burried the book Fahad" asked Shahid.

"The evil spells were saying to be king but I thought it was saying that burried it in the witch's mansion"

"You mean we need to go back and again take the book from the house" said Ali like he was confused.

"No it is in garden" said Fahad.

The four mean five friends started their new journey to the mansion.

(To be continued)

"
